

WE'RE HIRING

The **International Department** of the Karlsruhe Institute of Technology gGmbH is a private service institution at KIT and offers international, English-language study programs in its five schools in close cooperation with industry. The International Department is currently looking for a

Student Assistant (m/f/d) in Facility Management

Your Tasks

- Repair work in the dormitory
- Act as a contact person for residents
- Support the Facility Manager with general tasks
- Assistance with check-in and check-out processes
- Room and kitchen condition checks

Our Offer

We offer an interesting international working environment in a pleasant and team-oriented university atmosphere, where you can independently manage work areas and have the opportunity to acquire further skills in the area of facility management.

Your Profile

You are a student and have the desire to work in a team as well as independently? You also have a high level of commitment and diligence? Do you have manual dexterity and technical know-how? We expect a sound knowledge of all MS Office products as well as good English and German language skills. Enjoyment in dealing with international students is also required.

Please send your application with CV and grades via e-mail Mirjam Weigand:
