Conferences, workshops or meetings: At the International Department, you will find the ideal setting for your event. With state-of-the-art technology, versatile rooms and a dedicated team to support you, we create the perfect surroundings so that you can focus on the essentials: **The success of your event.**

# Your advantages at a glance

- The rooms in the scientific conference center of the International Department are suitable for seminars, workshops or conferences with up to 175 participants. They offer flexible seating arrangements - for example in theater, U-shaped, block or parliamentary seating.
- Many rooms have direct access to the outdoor area and a catering area, which can be used as an additional option - ideal for breaks or a get-together at the end of the event.
- We are happy to customize the rooms according to your wishes - just contact us!

## ✓ Modern equipment

Our rooms offer high-quality AV technology with projectors, sound technology and interactive displays. We also offer the Cynap system, a compact, wireless all-in-one solution for presentations and hybrid meetings. It offers functions such as screen sharing, whiteboard, recording and streaming, as well as an integrated multi-platform conferencing solution for Zoom and MS Teams.

Upon request, we can also provide poster walls.

## ✓ Individual catering offers

From a savory buffet to an elegant menu - we ensure the culinary well-being of your guests and also take account of special dietary requirements.

Or do you have something extraordinary in mind? A barbecue or a cocktail bar in a relaxed atmosphere? Just get in touch with us.

## ✓ Air conditioning & sustainability

A productive and pleasant atmosphere for your event is guaranteed by our mostly air-conditioned rooms. Sustainability is of particular importance for us. Thanks to our solar system, we cover a large part of our energy requirements and thus contribute to a CO<sup>2</sup>-neutral future.

## ✓ Seating and room planning

We offer a wide range of seating options that can be flexibly adapted to suit the event and number of participants.

## ✓ Technical support on site

Our experienced team will be by your side for the entire duration of your event and ensure that everything runs smoothly.

## ✓ Unrestricted for everybody

From the conference areas to the sanitary facilities, all rooms and areas are barrier-free.

## ✓ Perfect accessibility

Our scientific conference center is in a prime central location. Just a few steps away from Karlsruhe palace, the KIT campus and the city center, it has excellent public transport connections and numerous parking facilities in the immediate vicinity.
